

AI4R Participant Survey

Pause & Reflect

Questions

1. Did the AI4Resilience staged approach provide the understanding, capacity, and connection resources that participants need to support innovators and innovation in a sustainable way? If yes, how / if no, why not?
2. What worked and what didn't in applying a system sensing approach in the AI4Resilience program?
3. To what extent did the AI4Resilience program manage to catalyze and/or scale locally relevant humanitarian innovation?
4. To what extent did the AI4Resilience program facilitate local relationship development to support positive system change?
5. Please use this space if you have any other reflections you would like to share.
